March comp day Morning rain but sun shone thru, 3ft waves, clear aqua waters no wind = **AWSOME DAY**. Blacksmith beach comes through again thanks to Mother Ocean. Congrats Dribsa and Sully for making to the finals and surfing great all day. Jake Emmo and Ben graduated into the open division. Well done and keep up the good surfing. Thanks to Feaksy and Susie for the yummy food, Harro for your tallying and all Boardriders members for judging and helping with set up pack up.  
Harry this month The Orana for making the day so foggy. Thanks Viagra and see you at the preso!
